- Have you recently been married, divorced or widowed?
- Have you bought or sold a home or other piece of property?
- Have you recently retired?
- Have you added or changed the type of assets you own?
- Is there any personal property that you would like distributed that has not been clearly stated?

If you said "YES" to any of these questions, It would be a good idea to schedule a complimentary consultation to review your current Estate Plan or to put an Estate Plan in place.

*"Estate Planning is an important and everlasting gift you can give your family. And setting up a smooth inheritance is not as hard as you might think."*
